Through the Collector of South Kanara.

SIR,

In G. O. No. Mis. 374 Rev. dated 14th February 1921, Government sacntioned the extension of the provisions of the Canals and Public Ferries act 1890 to the Jalsur Fer-ry situated within the limits of Jalsur and Mundakole villages. The residents of these villages having represen-ted that the purpose of the ferry would be better served if it was shifted from its present site to that near the Board School at Jalsur, enquiry was instituted in the matter. The result of the enquiry ~~showed~~ that the change of the site of the ferry is desirable and the proposal has been approved by District Board vide copy of the District Board's resolution No. 14 dated 24th July 1921 enclosed. I request that the Board may be pleased to obtain the sanction of Government to the proposal.

2. Two draft notifications (in duplicate) for the abolition of the Jalsur ferry and the other for the establishment of the new ferry together with a sketch illustrating the description of the limits of the latter ferry are herewith submitted. The rates of toll are the same as those sanctioned for the II class ferries in G. O. No. Mis. 273 Rev. dated 21st November 1918.
